## SIDEBOARD NOTES.

Situated at the table, the dining room furnishing should play to the eye—should be restful, delightful, all in the line of conversation, just as music does to the ear. Necessarily the sideboard—the most important piece—should be "just right."

Right in wood. For quaint old-time, mahogany and fluted oak will give most picturesque effects. As a setting for modern glass and silver, our new glass and silver designs.

Right in style. If quaintness be sought, choose our Dutch and old English with their quaint World air, with their fluted fronts and old time cupboards. If simplicity be wanted, take our Chippendale modifications; or exquisitely graceful in line they need no ornament. If sturdiness be your aim, find it in our Colonial designs. If you are a lover of yourself what "just right" means. It means factory price, too, because you

## THE HORSE SHOW AND THE WINTER.

Periodically this city's fashion-functions crystallize into one great national event, drawing to itself the presence of all society. Our advertisement intimately concerns such. Yet, this single social feature is but a fleck of foam on the towering wave, compared with the wider dress-needs of New York's people. We are ready for this latter, too, with amplest preparation—convincing proofs follow:

## Millinery Department.

Special display of Evening Hats and Toques, representing latest ideas of leading Parisian modistes, imported and produced expressly in view of coming Horse Show.

200 choice Evening Dress and Street Hats, formerly \$18.00 to \$28.00 each, all

reduced to two prices.

Viz., \$10.00 and \$15.00 each.

## UNTRIMMED EVENING HATS.

We have by far the largest city line of Miroir Velvet Hats and Toques for evening wear, counting many exclusive creations in ciel, cream, rose, salmon, Nile, and other tints, besides black.

## Millinery Trimmings.

Choice collection of Millinery Novelties. Gold and Silver Embroideries, Braids, Buckles, Paillette Goods, etc.

## Lyons Black Silk Velvet.

1,000 yards of Lyons Black Silk Velvet, specially adapted for dress-making, actual value \$2.25, at \$2.50

## In Dress Goods.

The "Aiglon" craze extends to fabrics. Henriettes are gold-embroidered and dotted grays of yellow blend with all shades to vary the historic combination. Other favorites—Cheviots, Broadcloths, Poplins, Prunelles, Soles—also splendidly represented and afford the greatest price advantages.

52-inch all-wool French Venetians, the country's staple 1.00 weave, in black and the best street shades. No parallel at our price. 78c

47-inch Black Camel Hair Zibeline, whose prevalence in Tailor Suits attests its favor; while this 1.25 line lasts we price it 68c

## Petticoat Attractions.

## The PIANOLA and the PIANO.

The PIANOLA will enable every owner of a piano to play upon his instrument when he is desired. Not only this, but every member of the family can also play upon it—no one or two players, but practically every composition ever written for the piano.

The PIANOLA is the only thing which was made the investment in a piano by nine tenths of those who own them. At least it is the only thing which makes a piano worth a hundred cents on a dollar.

Perhaps you or your wife or your daughter "play a little," but the difference between playing a little and playing everything you wish is considerable. It is worth thinking about. The PIANOLA supplies the deficiency. It even makes no difference if you do not know one note from another.

The fingers of the PIANOLA rest upon the piano keys, and strike the notes for you just as they are printed on the music sheet.

You experience all the pleasure of hand playing, because you control the expression, which is the soul of music.

Before deciding upon the purchase of a piano, you should hear the PIANOLA. It is an exhibition at the water-works. You may wish to buy a PIANOLA and invest less money than you originally intended in the piano itself, and get the full benefit of it; or you may even wish to rent a piano, temporarily and purchase the ability to play upon it anything you desire whenever your mood calls for it. It would be at least judicious to hear the PIANOLA.

Price \$250.

Can be bought on installments.
